

Hey Guys!!!

In April of 2010 we are heading on a road trip to **PLANET SHAKERS CONFERENCE, MELBOURNE...** Planet Shakers is a phenomenal youth & young adults conference that reaches over 10,000 people.

Some of the phenomenal speakers for this year are Bishop T.D Jakes, Reggie Dabbs, John Bevere, Russell Evans, Sam Evans and many more. Visit: www.planetshakers.com

Date: Tuesday 6th April – Friday 9th April 2010

Travel: we will be traveling to and from Melbourne with V/Line, and using Metro trams to get to and from our accommodation to the conference venue.

Food: Breakfast and all evening meals are provided in the cost (we have some great helpers coming onboard as our “Chefs” 😊), however you will have the choice to select the lunch pack option which will cost an additional \$5 a day for a packed lunch, otherwise it is suggested that you bring a sufficient amount of money to purchase your lunches for the 3 days.
